CATHARTIC was formed in July 2019 in Guadalajara, Jalisco, Mexico. During the winter (2019/2020), the band entered the studio to record the songs that appear on their first EP titled "Ceremonial Resurrection".

"Through the Abysmal Gates of Subconscious" is CATHARTIC's debut full-length album, and its musical style can be defined as a return to the roots of death metal, with a hint of melody and doom. A clever combination of fast and catchy riffs and just the right amount of slow and intense heavy parts make up its sound.
