## Opis produktu

Vicious Witch Records proudly presents it's second release : Diabolical Evil – Cursed By Blood on 7 inch vinyl! Diabolical Evil hail from Brazil and they are ready to conquer the world with their addictive Black/Speed Metal merciless onslaught!

Their music includes elements of classic heavy, epic and speed metal,first wave of black metal and lots of old school thrash metal madness! One song on each side of this 7 inch vinyl. Cursed By Blood track has been remastered and changed just for this Single Version on this release.

Furthermore as a B-side there is the never released or heard Black/Speed/Thrash Metal hymn – Valley of the Damned! Furious headbanging sign is up, killer addictive riffs, galloping like the horses of Hades rhythm section and evil vocals that ll haunt your ears under the spells of the moon! As the band describes their music this is – Diabolical fire and evil spells in the night of eternal black magic!
