Opis produktu

Before the "Sursum Luna" album, FUNERAL ORATION had released some demo-tapes that were spreaded through the UG and now considered as total cult.

This CD release compiled those three tapes "Come Here With Us..." 1990, "Domine a Morte...Libera Me" 1992, "Promo xxx '95" and 6 never before released songs from a 1991 rehearsal tape.

CD featuring 12 pages booklet with rare photos and interview with founding members. ENJOY THE ITALIAN UNDERGROUND
