### Opis produktu

68 pages A5, English written and bringing interviews with:

- WitcheR / Vrag (Hungary) - an interview focused on both projects (both very different between themselves) from this very interesting Hungarian musician!!
  - Bleed This Earth (New Zealand)- A newcomer from Oceania with a powerful and melodic Doom/Death Metal!!
  - Lady Beast (USA) - After four albums, there are few into Heavy Metal, that do not know the name of this great Pittsburgh horde!!!
  - Megaton Sword (Switzerland) - The name says it all: Epic Heavy Metal and a very excellent debut from these guys!!!
  - October Falls (official) (Finland) - The return to the pages of Metal Horde for this great atmospheric Black Metal horde!!!
  - Grief Collector (USA) - Great Doom Metal trio hailing from Minnesota, USA, and having on vocals Robert Lowe (Solitude Aeturnus, Candlemass)!!!
  - Orthodoxy (Spain) - Obscure Death Metal hailing from Spain is what these guys bring to Metal Horde!! Great debut album!!
  - Vectis (Portugal) - Old school Black/Thrash Metal spitted from the North of Portugal!!!
  - Maestus (USA) - 'Deliquesce' was one of my favorite albums in 2019, powerful Doom/Death Metal hailing from Portland, USA!!!
  - Writhing (Australia) - Death Metal from Australia, with a very powerful demo released a few months back!!
- Plus a SWR Barrocelas Metalfest XXIII special part bringing interviews with some of the bands that were supposed to play in this god forsaken year of 2020. You can find small chats with Amken (Greece), Asko (Portugal), GOROD (France), Nekromant (Sweden), Wayward Dawn (Denmark), NUCLEAR WARFARE (Germany) and a bigger one with Autopsy (Official) (USA) And the usual reviews on Tapes, Vinyl's, CDs and zines!!!
